REQUESTED ACTION: Accept the relinquishment of the Mission Center
Road/Camino del Rio North intersection from the State of California to the City of San
Diego

STAFF RECOMMENDATION: Approve the resolution

EXECUTIVE SUMMARY: The City of San Diego and the Mission Valley community desire improved traffic circulation on Mission Center Road, Camino del Rio North, and other streets in the immediate vicinity. Coordination of the timing of the traffic signals in the area is proposed as a means to improve the traffic flow. However, the timing of the traffic signal at Mission Center Road and Camino del Rio North falls within Caltrans' jurisdiction, not the City's. Caltrans is willing to relinquish this intersection to the City of San Diego by means of a Resolution approved by the City Council, thereby allowing the desired traffic signal timing improvements to be made by the City.

FISCAL CONSIDERATIONS: This intersection is currently being maintained by the General Services Department, Street Division, therefore there are no additional fiscal impacts.

RESOLUTION NUMBER R-_____

DATE OF FINAL PASSAGE _____

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN
DIEGO AUTHORIZING THE RELINQUISHMENT OF THE
INTERSECTION OF MISSION CENTER ROAD AND
CAMINO DEL RIO NORTH IN THE MISSION VALLEY
COMMUNITY PLAN AREA.

WHEREAS, the City of San Diego [City] desires to improve traffic signal timing and interconnection at the Mission Center Road and Camino Del Rio North road intersection and adjacent intersections for the purposes of public safety; and

WHEREAS, the area of public right of way at said intersection is currently within the State of California Department of Transportation's ("State") right of way; and

WHEREAS, the City has requested that State relinquish said intersection in order to enable City to implement traffic signal interconnection; and

WHEREAS, the City agrees to enforce State's former access control boundaries of said intersection along the northerly Camino Del Rio North right of way upon relinquishment and City agrees to prohibit new ingress and egress to areas within said intersection; and

WHEREAS, the City agrees to prohibit the realignment of the roadway within said intersection except as agreed to by the State in writing; and

WHEREAS, the State has determined that this area is not needed as part of its operating right of way; and

WHEREAS, the State is authorized to relinquish certain areas of right of way under Section 73 of the Streets and Highways Code with the consent of the City and the approval of the California Transportation Commission; and

WHEREAS, the State has offered to relinquish to City, at no charge, the area depicted on "Exhibit A" attached hereto, subject to said California Transportation Commission approval, consisting of portions of existing public right of way and appurtenant roadway facilities; and

WHEREAS, the City agrees that relinquished roadway areas and facilities may be reincorporated into State right of way for future transportation projects and City agrees to reconvey property when so requested at no cost to the State; and

WHEREAS, the City agrees that the roadway areas and facilities are currently in good repair for the purposes of compliance with the requirements of Section 73 of the Streets and Highways Code; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City agrees to accept maintenance, control and ownership, including all of State's current obligations, rights, title and interest in the described segment of roadway area and appurtenant facilities upon recordation of the California Transportation Commission's Resolution of Relinquishment in the County Recorder's Office and to thereafter operate, maintain, and be liable for roadway areas and facilities at no additional cost to the State.

BE IT FURTHER RESOLVED, that the City waives the State's obligation to provide ninety (90) days prior notice of the State's "Intention to Relinquish" as set forth in Section 73 of the Streets and Highways Code because this relinquishment is at the request of the City.

BE IT FURTHER RESOLVED, that the City agrees there shall be no California Transportation Commission allocation of funds for a betterment or improvement of requested relinquishment areas.

BE IT FURTHER RESOLVED, that the City agrees that the State reserves the right to enter relinquished collateral facilities, including sidewalks and other areas adjacent to the

traveled way, to modify or add signage, drainage, and other improvements necessary for State highway operations, at no additional cost to the State.

BE IT FURTHER RESOLVED, that the City agrees to allow the State access to operate, maintain, add, remove, or modify the State's facilities, if any, retained in those collateral facilities.

BE IT FURTHER RESOLVED, that this activity is not a "project" and is therefore exempt from CEQA pursuant to State CEQA Guidelines Section 15060(c)(3).
